

The Northshore Education Consortium is currently accepting applications for the position of **Executive Director**.

Founded in 1975 the Northshore Education Consortium was established to bring together resources from member school districts to develop and deliver programs and services for students with educational, developmental and behavioral challenges. Today, with an operating budget of over 18 million dollars and comprised of 18 member school districts north of Boston NEC provides a wide range of special education services for 380 students attending our 4 distinct schools. In addition to our schools we provide specialized consultation, home training for families and professional development for our member districts.

Qualifications

To be considered for this position applicants must be licensed as administrator of special education, and/or superintendent/assistant superintendent. Masters' degree required; further advanced degree preferred. Experience in teaching and administrative leadership in special education at the building and/or district wide level required. Demonstrated leadership within complex educational organizations and professional organizations along with financial management skills and knowledge of fundraising and grant writing a must.

Salary commensurate with experience and skills. Position available July 1, 2010

Interested candidates should submit an application packet consisting of a cover letter with salary requirements, a resume, three current letters of recommendation, and evidence of professional licensure by the application deadline of January 15, 2010.
